

Independent Auditor's Review Report on the Quarterly and Year to Date Unaudited Consolidated Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

**Review Report to
The Board of Directors
Future Consumer Limited**

1. We have reviewed the accompanying Statement of unaudited Consolidated Financial Results of Future Consumer Limited (the "Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), its associate and joint ventures for the quarter ended December 31, 2022 and year to date from April 1, 2022 to December 31, 2022 (the "Statement") attached herewith, being submitted by the Holding Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended (the "Listing Regulations").
2. The Holding Company's Management is responsible for the preparation of the Statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The Statement has been approved by the Holding Company's Board of Directors. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the Circular No. CIR/CFD/CMD1/44/2019 dated March 29, 2019 (the "Circular") issued by the Securities and Exchange Board of India under Regulation 33(8) of the Listing Regulations.

4. The Statement includes the results of the entities as detailed out in Annexure 1.
5. As described in Note 5 of the Statement as regards non-availability of financial information and ongoing dispute with Joint Venture partner of 2 Joint Venture companies, which are not considered for consolidation in the attached Statement, which is a non-compliance of Ind AS 27 and Regulation 33 of SEBI Listing and Disclosure Obligations, 2015, as amended. Consequently, we are unable to determine the impact of such non-compliance on the loss, earnings per share for the quarter and period ended December 31, 2022 and investments in joint ventures, reserves and surplus as of December 31, 2022.

Independent Auditor's Review Report on the Quarterly and Year to Date Unaudited Consolidated Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended**6. Emphasis of Matter**

- a. We draw attention to Note 4 of the Statement which indicates the existence of material uncertainty on going concern on the Group and its joint ventures as regards their ability to meet the debt obligations. The appropriateness of going concern assumption is dependent upon Group and its joint ventures ability to arrange sufficient liquidity by monetization of its assets, increase in operations and other strategic initiatives including fresh investments to meet its obligations.
- b. We draw attention to Note 6 of the Statement, which describes that forensic audit has been initiated on the Holding Company with respect to its related party transactions with Future Retail Limited for the financial year ended March 31, 2020, March 31, 2021, and March 31, 2022.

Our conclusion is not modified in respect of these matters.

4 The Group is currently facing significant liquidity crunch which has impacted the operations of the Group during the period ended December 31, 2022. The Group has incurred loss before tax during the quarter and period ended December 31, 2022, amounting to Rs. 3,998.50 lakhs & Rs. 27,419.89 lakhs respectively (including exceptional items, refer note 7 below) primarily owing to the exceptional items, lower volumes, finance costs and depreciation and also has accumulated losses as at December 31, 2022 of Rs. 1,72,129.46 lakhs. Group's current liabilities exceeded its current assets by Rs. 22,566.98 lakhs as at the period end. Further, the Holding Company has defaulted on payment of interest/repayment of principal amount on loans from banks/financial institution and unlisted debts securities as on December 31, 2022, amounting to Rs. 17,707.06 lakhs. During the period ended 31 December 2022, the banks have classified the loans given to the Holding Company as non-performing assets (NPA). Due to default in borrowings, non-current borrowings including interest accrued thereof aggregating to Rs. 8,938.60 lakhs have been reclassified to current borrowings and other financial liabilities. Accordingly, the Group has total debt servicing obligations due including interest thereon aggregating to Rs. 44,470.97 lakhs as of December 31, 2022.

Further, the Hon'ble National Company Law Tribunal, Mumbai bench ("NCLT") has pronounced an order dated July 20, 2022, admitting application under Section 7 of the Insolvency and Bankruptcy Code, 2016 against one of the major customers of the Group, Future Retail Limited. The Group has significant receivables from the said Customer amounting to Rs. 39,390.93 lakhs and has recorded an expected credit loss on the entirety of the receivable from the said customer in earlier year(s).

Due to reduction in business operations and decrease in expected realisable value of assets, the Company has recorded an impairment loss of Rs. 5,775.57 lakhs during the quarter ended 31 December 2022 and Rs. 20,062.58 lakhs during the period ended 31 December 2022 (Refer note 7 below).

These events/ conditions indicate the existence of material uncertainty on the Group's ability to continue as going concern. To address the liquidity crunch and to maintain the sufficient working capital, the Group has adopted several measures including sales to other customers, cost optimisation, discussion with banks for restructuring / one time settlement of loans, other strategic initiatives for fresh investments, monetisation of identified assets, etc. The expected proceeds from monetisation of these assets (which includes property, plant and equipment, investments and other assets) aggregating to Rs 26,850.00 lakhs and/or fresh investments will be utilized to repay the borrowings (including interest) and manage the working capital requirements. These identified assets for monetisation have been classified as assets held for sale in accordance with Ind AS 105 'Non-current Assets Held for Sale and Discontinued Operations' at lower of their carrying value and fair value less costs to sell. Accordingly, the Group has recognised impairment loss on the said assets and disclosed the same under 'exceptional items' (refer note 7 below). The management has initiated the plan to locate the prospective buyers of these assets.

The Holding Company ("Future Consumer Limited" or "FCL") has also discussed the Asset Monetisation Plan with the lenders of the Holding Company in a joint-lender's meeting (JLM) held on July 06, 2022. Considering the Asset Monetisation Plan, the lenders allowed the Holding Company to repay its borrowing till January 31, 2023. However, the Holding Company was unable to monetise these assets and repay the borrowing during the said period. On February 9, 2023, the Holding Company again held a meeting with JLM and updated them about the status and likely timelines for assets monetisation and the possibility of some investor coming at FCL level, besides few proposals parallelly in pipeline on individual business verticals, and in either case the Holding Company being able to settle the loans amicably with the lenders. It is informed that the lenders will have discussions internally and decide about providing extension to the Holding Company to be able to work on the plan and timelines.

The success of the above measures adopted by the Group is dependent on the effective implementation of its operating plans and timely closure with the potential buyers for monetisation of its assets or Equity infusion into the Group which is dependent on many internal / external factors. The management is confident that they will be able to arrange sufficient liquidity by either monetization or Equity infusion, increase in operations and other strategic initiatives. Accordingly, the financial results are prepared on a going concern basis.

5 Note on Qualification in Review Report

The Group has investments in Joint Ventures Aussie Oats India Private Limited (together referred to as 'JV') of Rs. 6,515.00 lakhs including investments, loans, and other assets (As on March 31, 2022 Rs. 6,650.53 lakhs). There is a dispute between the Group and said JV partners and due to non-availability of financial results for the quarter and period ended December 31, 2022, as a consequence of non-cooperation of the said JV partners which is a direct contravention of court rulings, the Group is unable to determine the fair value of Group's investments in JV as at December 31, 2022 and consequent impact thereof on the results. However, the Management believe that it will not have a material impact on the financial results for the quarter and period ended December 31, 2022.

6 The Holding Company has received through email a letter from Securities and Exchange Board of India Bearing Ref: SEBI/HC/CMD SEC2/P/OW/2022/34082/1 dated 3rd August, 2022 ("SEBI Letter") addressed to Interim Resolution Professional ("IRP") of Future Retail Limited ("FRL") intimating about appointment of M/s Chokshi & Chokshi LLP, Chartered Accountants as forensic auditors with respect to Consolidated Financial Statements of FRL and Audit of books of accounts of the Holding Company and some other entities for review period being the financial year ended 31st March, 2020, 31st March, 2021, and 31st March, 2022.
