referred to as 'JV') of Rs. 6,650.53 Lakhs (including investments, loans and other assets). There is a dispute between the Group and said JV partners and due to non-availability of financial results for the quarter and year ended March 31, 2022 as a consequence of non-cooperation of the said JV partners which is in direct contravention of court rulings, the Group is unable to determine the fair value of Group's investments in JV as at March 31, 2022 and consequent impact thereof on the quarterly and annual results However, the Management believe that it will not have a material impact on the financial results for the year ended March 31, 2022 In the context of 2 joint ventures, viz.: i)Hain Future Natural Products Private Limited, a joint venture of the Group (Hain Future JV) Due to the non-alignment of the Group with the co-joint venturers on key aspects pertaining to the operations of Hain Future JV, the

entity is unable to finalise and approve the financial statements for the year ended March 31, 2022 as on date. ii) Fonterra Future Dairy Private Limited, a joint venture of the Group (Fonterra Future JV): As per the resolutions dated March 10, 2022 passed by the Board of Directors of the Company, it has been agreed to discontinue the operations of the Fonterra Future JV. Since the audit of Fonterra Future JV is still in progress, audited financial statements for the year ended March 31, 2022 have not been made available to the Group as on date. Since the audited financial statements of Hain Future JV and Fonterra Future JV are not available as on date, the Group has consolidated the proportionate share of the results of these entities based on the Management-Certified Financials received from the respective entities. However, the Management believes that the audit of these entities will not have a materia impact on the results of the Group for the year ended March 31, 2022, or on the book value of the Group's exposure to these entities as on March 31, 2022.

Note on Qualification in Audit Report) The Group has investments in Joint Ventures Aussee Oats Milling Private Limited and Aussee Oats India Private Limited (togethe referred to as 'JV') of Rs. 6,650.53 Lakhs (including investments, loans and other assets). There is a dispute between the Group and said JV partners and due to non-availability of financial results for the quarter and year ended March 31, 2022 as a consequence of non-cooperation of the said JV partners which is in direct contravention of court rulings, the Group is unable to determine the fair value of Group's investments in JV as at March 31, 2022 and consequent impact thereof on the quarterly and annual results However, the Management believe that it will not have a material impact on the financial results for the year ended March 31, 2022

In the context of 2 joint ventures, viz.: i)Hain Future Natural Products Private Limited, a joint venture of the Group (Hain Future JV) Due to the non-alignment of the Group with the co-joint venturers on key aspects pertaining to the operations of Hain Future JV, the entity is unable to finalise and approve the financial statements for the year ended March 31, 2022 as on date. ii) Fonterra Future Dairy Private Limited, a joint venture of the Group (Fonterra Future JV): As per the resolutions dated March 10, 2022 passed by the Board of Directors of the Company, it has been agreed to discontinue the operations of the Fonterra Future JV. Since the audit of Fonterra Future JV is still in progress, audited financial statements for the year ended March 31, 2022 have not been made available to the Group as on date. Since the audited financial statements of Hain Future JV and Fonterra Future JV are not available as on date, the Group has consolidated the proportionate share of the results of these entities based on the Management-Certified Financials received from the respective entities. However, the Management believes that the audit of these entities will not have a material impact on the results of the Group for the year ended March 31, 2022, or on the book value of the Group's exposure to these entities as on March 31, 2022.
