**Review Report to
The Board of Directors

1. We have reviewed the accompanying Statement of unaudited Consolidated Financial Results of Future Consumer Limited (the "Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), its associate and joint ventures for the quarter ended June 30, 2024 (the "Statement") attached herewith, being submitted by the Holding Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended (the "Listing Regulations").
2. The Holding Company's Management is responsible for the preparation of the Statement in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The Statement has been approved by the Holding Company's Board of Directors. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. We also performed procedures in accordance with the Circular No. CIR/CFD/CMD1/44/2019 dated March 29, 2019 (the "Circular") issued by the Securities and Exchange Board of India under Regulation 33(8) of the Listing Regulations, to the extent applicable.

The Statement includes the results of the entities as detailed out in Annexure 1.

Modified Review Conclusion

5. As described in Note 3 to the Statement as regards non-availability of financial information and ongoing dispute with Joint Venture partner of 2 Joint Venture companies, which are not considered for consolidation in the attached Statement, which is a non-compliance of Ind AS 27 and Listing Regulations, as amended. Consequently, we are unable to determine the impact of such non-compliance on the loss, earnings per share for the quarter ended June 30, 2024 and investment in joint venture, other equity as of June 30, 2024. The Conclusion was also modified in respect of this matter for the quarter and year ended March 31, 2024.
6. Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the review reports of the other auditors and the financial results/ financial information certified by the management referred to in paragraph 11 and 12 below respectively, except for the possible effects of our observation in paragraph 5 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with recognition and measurement principles laid down in the aforesaid Indian Accounting Standard ('Ind AS') specified under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Material Uncertainty Related to Going Concern

7. We refer to the Note 7 to the statement, The Group is currently facing significant liquidity crunch which has impacted the operations of the Group during the quarter ended June 30, 2024. The Group has incurred loss before tax during the quarter ended June 30, 2024 amounting to Rs. 1,604.49 lakhs and has a net capital deficiency of Rs 32,132.32 lakhs as at June 30, 2024. The Holding company has also suffered consistent downgrades in its credit ratings, as a result of which the Group's ability to raise funds has been significantly impaired, with normal business operations being substantially curtailed. In addition, the Holding Company has defaulted in repayment of loans and interest thereon to banks and consequently the lenders have classified the Holding Company's account as Non performing asset. The Holding Company has been unable to conclude re-negotiations or obtain replacement financing or monetize its assets as agreed with the lenders. These conditions, along with other matters, set forth in said note, indicate the existence of a material uncertainty that may cast significant doubt about the Group's ability to continue as a going concern. As explained in aforesaid note, management is of the view that the appropriateness of Going concern assumption is dependent upon Group's ability to arrange sufficient liquidity by monetization of its assets and other strategic initiatives and banks approval for monetization plan submitted for group assets including transfer of business of subsidiary companies. Our conclusion is not modified with respect to this matter.

These events/conditions indicate the existence of material uncertainty that may cast significant doubt about the Group's ability to continue as going concern. The financial statements do not include any adjustments to reflect the possible future effects on the recoverability and classification of assets or the amounts and classification of liabilities that might result from the outcome of this uncertainty.

To address the liquidity crunch and to maintain the sufficient working capital, the Group has adopted several measures including sales to other customers earning royalty income on company owned brands like Kara, Thinkskin and other brands, cost optimisation, discussion with banks for restructuring / one time settlement of loans, other strategic initiatives for fresh investments, monetisation of identified assets, etc. The expected proceeds from monetisation of these assets which includes property, plant and equipment, investments and other assets and/or fresh investments will be utilised to repay the borrowings (including interest) and manage the working capital requirements. These identified assets for monetisation have been classified as assets held for sale in accordance with Ind AS 105 'Non-current Assets Held for Sale and Discontinued Operations' at lower of their carrying value and fair value less costs to sell. Accordingly, the Group has recognised impairment loss on the said assets and disclosed the same under 'exceptional items' (refer note 6 above). The management has initiated the plan to locate the prospective buyers of these assets.

The success of the above measures adopted by the Group is dependent on the effective implementation of its operating plans and timely closure with the potential buyers for monetisation of its assets and / or fresh investments into the Group which is dependent on many internal / external factors. The management is confident that they will be able to arrange sufficient liquidity by either monetization and / or fresh investments, increase in operations and other strategic initiatives. Accordingly, the financial results / statements are prepared on a going concern basis.
