

**Independent Auditor's Review Report on the Quarter and half Year ended Unaudited Standalone Financial Results of the Future Consumer Limited pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended**

**Review Report**

**To The Board of Directors**

**Future Consumer Limited**

1. We have reviewed the accompanying statement of unaudited standalone financial results of Future Consumer Limited (the "Company") for the quarter ended September 30, 2024 and year to date from April 01, 2024 to September 30, 2024 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
2. This Statement, which is the responsibility of the Company's Management and has been approved by the Company's Board of Directors their meeting held on November 14, 2024, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (IND AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

**4. Modified Review Conclusion**

As described in Note 5 to the Statement, due to non-availability of financial information and ongoing dispute with the JV partner, the Company is unable to determine the fair value of Company's investments in Aussee Oats Milling Private Limited (joint venture) and Aussee Oats India Private Limited (step down joint venture) as of September 30, 2024. In absence of sufficient and appropriate evidence, we are unable to comment on the carrying value of above investments (including loans, and other assets) amounting to Rs. 9,752.04 lakhs and the consequent impact

thereof. Our conclusion/opinion was also modified in respect of this matter for the quarter ended June 30, 2024, March 31, 2024, and September 30, 2023, respectively.

#### **5. Material Uncertainty Related to Going Concern**

We refer to Note 8 to the Statement, the Company is currently facing significant liquidity crunch which has impacted the operations of the Company during the quarter and half year ended September 30, 2024. The Company has incurred loss before tax during the quarter and half year ended September 30, 2024, amounting to Rs. 1,167.22 lakhs and Rs. 2,579.13 lakhs respectively (including exceptional item) and has a net capital deficiency of Rs. 32,084.20 lakhs as at September 30, 2024. The Company has also suffered consistent downgrades in its credit ratings, as a result of which the Company's ability to raise funds has been significantly impaired, with normal business operations being substantially curtailed. Further, the Company has defaulted on payment of interest/repayment of principal amount on loans from banks/financial institution and unlisted debts securities as a result the banks have classified the loans given to the Company as non-performing assets (NPA). Certain Banks has liquidated the specific collateral assets against specific borrowing to recover the amount during the quarter. The Company has been unable to conclude re-negotiations or obtain replacement financing or monetise its assets as agreed with the lenders. These conditions, along with other matters, set forth in said note, indicate the existence of a material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern. As explained in aforesaid note, management is of the view that the appropriateness of going concern assumption is dependent upon Company's ability to arrange sufficient liquidity by monetisation of its assets and other strategic initiatives including fresh investment to meet its obligations. Our conclusion is not modified with respect to this matter.

#### **Emphasis of Matters**

6. We draw attention to Note 6 to the Statement, which more fully describes certain forensic audits that have been initiated on the Company, by SEBI and by lenders, which are currently in progress. In case of Future Retail Limited, the liquidation process has been admitted by Hon'ble National Company Law Tribunal, Mumbai bench ("NCLT") vide Order dated July 29, 2024.
7. We draw attention to Note 8 of the Statement, the Company had outstanding debt obligation for Term Loan from "RBL Bank", which is secured against immovable property comprising of land and building situated at Veerasandra Village in the district of Bangalore admeasuring 44116 Sq. Fts. ("Secured Assets") owned by Appu Nutritions Private Limited ('wholly owned subsidiary'). On January 23, 2024, RBL Bank took physical possession of the mortgaged property under Section 13(4) of the Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 (SARFAESI Act). Subsequently, on April 23, 2024, RBL Bank issued a notice for an e-auction sale of mortgaged property, scheduled for May 30, 2024. However, after the failure of the Holding Company and its subsidiary to redeem the mortgage within the prescribed timeline, RBL Bank informed the Company on August 7, 2024, that it would proceed with the sale of the property via private treaty on August 26, 2024. The sale was conducted on an "As is where is,"

"As is what is," and "Whatever there is" basis, meaning the property was sold in its current condition without any further recourse. On September 25, 2024, RBL Bank successfully sold the mortgaged property and recovered ₹1,820.60 lakhs towards the outstanding dues of the Holding Company.

Our conclusion is not modified in respect of the above matters.

8. Based on our review conducted as above, except for the possible effects of our observations in para 4 above, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('IND AS') specified under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

On January 23, 2024, RBL Bank took physical possession of the mortgaged property under Section 13(4) of the Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 (SARFAESI Act). Subsequently, on April 23, 2024, RBL Bank issued a notice for an e-auction sale of the mortgaged property, scheduled for May 30, 2024. However, after the failure of the Company and its subsidiary to redeem the mortgage within the prescribed timeline, RBL Bank informed the Company on August 7, 2024, that it would proceed with the sale of the property via private treaty on August 26, 2024. Further, the Hon'ble National Company Law Tribunal, Mumbai bench ("NCLT") has pronounced an order dated July 20, 2022 admitting application under Section 33(1)(a) of the Insolvency and Bankruptcy Code, 2016 against one of the major customer of the Company, Future Retail Limited. The Company has significant amount of receivables from the said customer amounting to Rs. 37,803.97 lakhs and had recorded an expected credit loss on the entirety of the receivable from the said customer in earlier year(s).

Considering the Asset Monetisation Plan, the lenders allowed the Company to repay its borrowings till January 31, 2023. However, the Company was unable to conclude re-negotiations or obtain replacement financing or monetise its assets as agreed with the lenders during the said period. During subsequent meeting held time to time with JLM, the Company updated them about the status and likely timelines for assets monetisation and / or fresh investments, besides few proposals parallelly in pipeline on individual business verticals, and in either case the Company being able to settle the loans amicably with the lenders. JLM has also indicated initiation of legal action for recovery of dues.

The Board of "Aadhaar Wholesale Trading and Distribution Limited ('AWTDL') material wholly owned subsidiaries of the Company has approved transfer of business undertaking to 'Brescon CAT-1 (AIF) Special Situation Fund' ('Purchaser') by way of slump sale for an aggregate consideration of Rs. 2,300 lakhs and other terms as agreed by and between the subsidiary company and the said Purchaser. In the meeting with lenders in JLM dated January 16, 2024 it was discussed that the Company will initiate Swiss Challenge Process through an agency, being appointed by the Company in consultation with lenders, taking bid of Brescon as Anchor Bidder. Successful bidder will be declared after Swiss Challenge Process. In terms of the same, the Company has appointed IDBI Capital as swiss process advisor and DSK legal counsel as Company legal counsel for completion of swiss challenge process. Currently, the Company is awaiting Lender's NOC to initiate Swiss challenge process.

These events/conditions indicate the existence of material uncertainty that may cast significant doubt about the Company's ability to continue as going concern. The financial results do not include any adjustments to reflect the possible future effects on the recoverability and classification of assets or the amounts and classification of liabilities that might result from the outcome of this uncertainty.

To address the liquidity crunch and to maintain the sufficient working capital, the Company has adopted several measures including sales to other customers, earning royalty income on brands like Kara, Thinkskin and other brands, cost optimisation, discussion with banks for restructuring / one time settlement of loans, other strategic initiatives for fresh investments, monetisation of identified assets, etc. The expected proceeds from monetisation of these assets which includes property plant and equipment investments and other assets and/or fresh investments will be utilised to repay the borrowings (including interest) and manage the working capital requirements. These identified assets for monetisation have been classified as assets held for sale in accordance with Ind AS 105 'Non-current Assets Held for Sale and Discontinued Operations' at lower of their carrying value and fair value less costs to sell. Accordingly, the Company has recognised impairment loss on the said assets and disclosed the same under 'exceptional items' (refer note 7 above). The management has initiated the plan to locate the prospective buyers of these assets.

The success of the above measures adopted by the Company is dependent on the effective implementation of its operating plans and timely closure with the potential buyers for monetisation of its assets and / or fresh investments into the Company which is dependent on many internal / external factors. The management is confident that they will be able to arrange sufficient liquidity by either monetization and / or fresh investments, increase in operations and other strategic initiatives. Accordingly, the financial results are prepared on a going concern basis.
